

LICENSE PLATE EXCHANGE EVENT

Hosted by Senator Ryan P. Aument & Representative Mindy Fee

AUGUST 27 | 5:30-7:30 PM

Grace Church

501 W Lincoln Avenue, Lititz PA 17543

This event is held in conjunction with local law enforcement to evaluate if your license plate is legible. Any loss of reflectivity, peeling, or other damage and cannot be read from 50 feet away could merit a new plate.

Law enforcement will determine if you need a new plate and assist with the appropriate PennDot paperwork for replacement.

Registration is required for this event by calling 717-627-0036.

Unless requesting a specialty plate there is no fee to replace your plate.
